

Cannabis Africa | May 2019

Marlow advised on the sale of 26% of Maluti Green Med

Cannabis Africa is a holding company for a number of licensed cannabis producers in Southern Africa. One of the most significant assets, Maluti Green Med, was founded in 2017 and is a licensed cannabis producer in the Kingdom of Lesotho. In early 2018 the 1st phase of the farm was completed and cannabis is cultivated under strict procedures, ensuring that the cannabis products meet global health standards (GAP/GMP/ISO compliance).
